## SALEM LUTHERAN CHURCH

**November 13 – November 21**

### **Real Strength in Community of Faith**

What makes something strong? Is steel strong because of its ability to withstand stress from many directions? Is wood strong because of its ability to absorb impact while remaining intact? Is the material of a spider's web strong because of its tensile strength-to-weight ratio? Things are strong for many reasons. The temple in Jerusalem was thought to be stronger and more permanent than anything, yet Jesus says in Mark, "Not one stone will be left here upon another; all will be thrown down" (Mark 13:2). Jesus shows hearers that true strength is not built upon the oppression of widows (Mark 12:41-44).

Many of the world's most prized structures are built on the shoulders of the poor and oppressed. How many homes in poorer areas of cities have been destroyed by the need for a new or wider highway? How many workers living in poverty died building the Golden Gate or Brooklyn Bridges, the Hoover Dam or the Empire State Building? In order for human beings to build structures of great strength, they must rely on sacrifice and compromise. Can any human standard of strength be achieved without making something else weak?

Real strength, however, is not shown in things built by human hands. Real strength is found in the hands themselves. True strength is shown in workers reporting to work day after day in impossible conditions because it's the only way to feed their family. It is shown by an entire community of God's people linking their trembling hands as they share the "confession of our hope without wavering" (Heb. 10:23). The new, true temple, Jesus' faithful strength, succumbs in weakness to human-made nails. While the nails lie rusting away, the wounded hands and body rise again to break bread with all on the journey down the path of life.

[Suggested Best Practices for Salem Members](#)

As we continue to experience community spread of Covid-19 and we enter flu season please keep in mind the following recommendations and best practices to protect yourself and others while worshipping here at Salem:

- Monitor your own health – If you are not feeling well or have had a possible exposure to Covid-19, please stay home.
- Wash your hands often, hand sanitizer is available at the west entry doors and in the Narthex. Sharing the peace without contact is preferred and safer for all.
- Cover coughs and sneezes.
- Masking is optional for those who have been vaccinated. Masking is strongly recommended for those not vaccinated. Show respect for all members who choose to wear a mask. Masks are available at the west entry doors and in the Narthex.
- Maintaining distance between yourself and people who don't live in your household provides you better protection from those without symptoms that could spread the virus.
