Who, Then, Is This? Our Only Help.

As the disciples set out together in the boat with the sleeping Jesus, a great windstorm arose so that the boat became swamped. As we set out in mission together in the ship of Christ's church, how many storms arise! The elements of chaos still seem to wreak havoc in our lives, communities, and in the church—and we become terrified. Though Christ is present the disciples and we ourselves begin to doubt his care and power: "Teacher, do you not care that we are perishing?" His presence seems far too weak to help us, though it is exactly in this vulnerable weakness that Christ shows his almighty power. Jesus wakes at the disciples' cries and rebukes the wind and waves—they are no match for his command. The terrifying calm that follows demonstrates his divine power over all the chaos that continually threatens us. And we find ourselves awe-struck before the living God who has met us in our weakness and yet overcome it. The Christ who sleeps in the boat is the same Christ who hangs on the cross, seemingly helpless. Yet the helpless one is none other than the all-powerful Lord God. "Who then is this?" but the Lord of all! The God who in the beginning brought order to the chaotic face of the deep now in Christ brings peace as we face the storm. So why are we afraid? Have we still no faith in this helpless Lord who is our only help?

Each week we will lift up five church families/members in prayer.

We ask that you also remember them in your daily prayers.

THIS WEEK WE WILL PRAY FOR:

June 2021, LSI Bulletin/Newsletter Article and Story

Happy Father's Day!

At Lutheran Services in Iowa (LSI), we strive to build up and empower Iowa kids and families. For us, Father's Day is a time to celebrate all the fathers and male role models we see every day.

Through our Early Childhood Services, young men are learning to become dads. They're becoming confident and active in their child's life, and they are creating loving, bright futures for their families.

Many Iowa children entering foster care need a positive male role model in their lives. And through LSI Foster Care and Adoption, our licensed foster dads are there to help guide them.

This is only possible through your support of LSI! If you would like to make a gift, please contact Deb Whitford, LSI director of philanthropy and church relations, at Deborah.Whitford@LSIowa.org or 563-676-2065.

Thank you for responding to the love of Jesus Christ through compassionate service!

Our Mission: Lutheran Services in Iowa responds to the love of Jesus Christ through compassionate service. LSI is an affiliated social ministry partner of the Iowa congregations of the ELCA (Evangelical Lutheran Church in America) and a member of LSA (Lutheran Services in America). We proudly serve people of all ages, abilities, religions, sexes, gender identities, national origins, ethnicities, races, and sexual orientations. Finding Paradise

Perseverance is a familiar quality for Mon, who after spending decades living as a refugee from an early age was recently able to place roots in Iowa and succeed in building a life for his family.

After living in a Nepali refugee camp for almost 24 years, Mon's family was able to resettle in the U.S. When they arrived in Iowa, they moved directly into a tiny apartment. But the single room was not sufficient for their family – especially once their youngest daughter was born. They stayed in the apartment for four years, but Mon was determined to create a better home for his family.

Mon secured housing for his family through the Habitat for Humanity program, and through LSI Refugee and Immigrant Services, he was able to get on track and save and earn money towards his goal of homeownership. With guidance from staff in LSI's Match and Save financial program, he was able to open a savings account and develop a monthly savings plan.

Mon and his family moved into their new home last year, and he said LSI and Habitat for Humanity were critical steps in helping him learn about U.S. finances and savings – lessons that will pay off during his journey as a homeowner.

"I felt very sad when I left my country," Mon says. "I felt as if I lost my paradise. But when I got the key and when I entered my house, I felt that I regained my lost paradise. So that was the happiest moment in my life and right now, I, my family, and kids are super happy to live in this new house."
