**MISSION**

Salem Lutheran Church members have known and now extend to others the invitation from Jesus Christ to know him and his gifts of forgiveness, hope, peace, and purpose. Our desire is to be a welcoming place in service to the Lord who has welcomed us. We seek to grow in our faith through meaningful [worship and study](#). We seek to share the gifts of Christ, both as individuals who reach out in love to our families, our community, our workplaces, and our world, and also as a congregation reaching out with meaningful and supportive services and programming to people of all ages. We seek to be servants, following the example of our Lord Jesus, who said that the greatest life is not the one lived simply for itself, but for the benefit of others.

### From Pastor Melinda: Elders, Sages, Older Adults, Retirees, or Seniors?

*"The righteous flourish like the palm tree, and grow like a cedar in Lebanon. They are planted in the house of the Lord; they flourish in the courts of our God. In old age they still produce fruit; they are always green and full of sap,"*  
Psalm 92:12-14

Images of reaching age sixty-five and spending the rest of one's days in a rocker are no longer relevant or true today. At the beginning of the twentieth century life expectancy was forty to fifty years. Today, if one lives to be sixty-five, the likelihood of living to age eighty-five is high and if you live to eighty-five the chances of making it to ninety-two or beyond is even higher. Today, age sixty-five is no longer a signal of life coming to a close but rather the beginning of a new chapter in one's life.

We as a society have yet to determine a positive response to this growing segment of society. In the past society has deemed aging and old age adults as having little value or worth to give to others. By failing to engage with this segment of the population, our society is losing the insight and wisdom offered by these adults. Those who no longer are concentrating on careers and family are able to reflect back on the past and offer us insight from their experience that can shape our response to issues in our families and society.

Salman Schachter-Shalomi in his book *From Ageing to Sage-ing: A Profound New Vision of Growing Older* suggests that growing older is not a time of decline and separation but rather a time of self-development and growth. Rather he stresses that growing older is a journey to where an elder becomes a messenger of wisdom. With more time on their hands those who have retired from demanding careers can give purpose to their lives by developing their spiritual and contemplative inner lives.

Imagine congregations like Salem playing a vital role in changing the view of society toward older adults by providing intentional ministry by, with, and for older adults. The church can assist older adults in making their later years creative and meaningful; providing spiritual guidance in self-development. The church can plan intergenerational opportunities so that older adults can share their faith experience and learn from younger people.

Back to the opening question: Elders, Sages, Older Adults, Retiree, or Seniors? Words are important; the name given a ministry can create excitement or keep people away. How do you, as you age, view yourself: an elder, a sage, a senior? Give this some thought and let us visit with others as we share a cup of coffee in the Fellowship Hall on Sunday, March 15 between worship services. Let us as a church give a positive title to those who have so much wisdom to share.

# Volunteer Training - Spring 2015

9:30 a.m. – 4:00 p.m.  
**Floyd County Public Health**  
1003 Gilbert St

Volunteers step in for in-home caregivers, so the caregiver can have peace of mind while finishing essential errands. Volunteers transport loved ones who can no longer drive to a care center, so they can spend time holding their family member's hand. Volunteers bake cookies, make quilts, greet visitors and call homecare patients at home, just to "tuck them in" for the weekend. HNI volunteers do "Whatever it Takes" to provide the best care and comfort experience for patients and families in North Iowa.

The class is free of charge and open to the public. Registration is required and a pre-screening process, including a background check, must be completed before training.

For more information or to register, please call Hospice of North Iowa at 641-428-6246 or email [hospiceni@mercyhealth.com](mailto:hospiceni@mercyhealth.com).

## **Healing – Getting our life back**

The past several weeks I have suffered from a respiratory illness and am grateful that this is my first major respiratory illness in a little over a year. To some that gratitude might seem strange but let me explain. Twenty years ago I dreaded the warm weather because of seasonal allergies and I dreaded winter because it seemed every other month I had a major respiratory illness.

Eventually I was connected with an allergist who was able to provide medications and shots to relieve my allergies. Working with another physician we found treating me with an asthma medication reduced the number of colds I had during the winter. I felt like I got my life back!

I share this because that is how healing works in our lives. Being healed is getting our life back. During this Lenten season we are looking at the many areas of our life in which we yearn for healing. We live in a sin filled and broken world. A world where: guilt, disease, addictions, and broken relationships seem to chisel away at our lives. We are left wondering if we will ever be whole again. In faith we turn to God in prayer seeking healing in our lives and the lives of those we love.

Sometimes the healing takes time. Sometimes the healing is not what we expect. Other times we are overwhelmed by the healing power of God. In the scriptures we read of Jesus' healing of those longing to be made whole. The lepers who get their life back; being allowed contact with loved ones. The blind give sight, the crippled given function to limbs, and the sick healed. Each person who has experience healing in their lives has been given back their life.

Throughout this Lenten season we will come together as a congregation on Wednesday's seeking God's healing presence through prayer. May God's healing presence be known in your life today.

Pastor Melinda

## Worship Service Opportunity in Lent

### Wednesday Morning Worship & Bible Study

Throughout his ministry Jesus offered healing to those suffering from physical and emotional ailments. Join us to study how Jesus offers healing to the broken and sinful world in which we live. This Lenten Season Salem is offering an alternative to the evening Lenten service. Salem will be offering a service at 10:00 a.m. on five Wednesdays: **February 25, and March 4, 11, 18, and 25.** On these Wednesday mornings you are invited to gather in the Chapel for worship, hymns, scripture, prayer, and a Bible Study. This morning worship service will complement the evening service which will take the form of a healing service.

that position. The monthly stipend was discussed. It was moved by Allison and seconded by Tami to allow \$200 per month for this position. All approved.

Pastor Soli has been working on a new website for Salem. It will cost \$80/year and is hosted by a host called Weebly. The new email client is Constant Contact and would cost \$153 per year. This would be at a savings over the next 2 years of \$302. We would be able to stream broadcasts through a service called Ustream. This would cost \$1188 per year, a new expense but one that was allowed for in the 2015 budget. We may need to purchase extra equipment for this.

Salem will change its software program from the Church Windows program to the Shepherds Staff program. It will track membership, contributions, has a financial module and a scheduling module but does not have a payroll program. Pastor Soli, Mike, and Helen will work together to set up the new accounts for the bookkeeping and accounting charts. It will be an initial cost of \$1369 for the program and a new Zpay payroll program. After the startup costs it will be about \$545 per year for upgrades and support. This would save us \$1089 over the next two years. It was moved by Mike and seconded by Scott to approve the purchase of the new programs. All approved.

He also reported that the electronic sign board is not functioning

correctly. Repairs to the sign will be covered either by insurance or warranty.

Lenten services will be held on Wednesdays of Lent at 10:30 AM or 7:15 PM. Most of the soup for the evening soup suppers will be provided by Lunds Foods. He has had one joint meeting with the Call Committee and the Transition Team. It was moved by Mike and seconded by Scott to accept the above reports. All approved.

**New Business:** It was moved by Tami and seconded by Keith to change the position of office administrator from hourly to salaried compensation. This would not change the actual monies paid. All approved.

It was moved by Wayne and seconded by Mike to approve the purchase of a new laptop for use by the music director at \$289 and a new desktop computer for \$289 to be used as a second office computer. All approved.

It was moved by Karla and seconded by Al to approve the transfer of John and Rhonda Nielson to Center Lutheran Church. All approved.

A motion to adjourn was made by Scott with a second by Mike. All approved. We closed the meeting with the Lord's Prayer. The next regular Council meeting will be on March 9.

Respectfully submitted  
Yvonne Beenken

**This group of volunteers gathered in late January to prepare the monthly issue of "The Outreach" for mailing.**

**Front Row:** Sylvia Heimdal, Carole Hagen, Gladys Biehl

**Back Row:** Pat Thorson, Violet Kvale, Darlene Behr, Ruth Tweeten, Arlys Brackey, Marilyn VanDenBosch, Gloria Kvale

It takes many willing volunteers to make an organization such as Salem work efficiently. These willing workers take care of tasks that must be done but need to be accomplished without cost.

When your current edition of "The Outreach" come to your home it arrives because it is touched by a number of willing folks who take it from Helen's copy machine, put some of it together, place the addresses on each piece and prepares it for the post office.

"The Outreach" is the new name for what was "The Informant" for many years. It was given a new name and a new look last summer and is one of the many efforts by the Church Council to get the word to our members.

Each month approximately 616 copies are run off by Helen on the office copier. This machine prints, gathers and can staple as part of the process. Postal regulations do now allow the newsletter to be stapled. It takes 5 reams of paper. The postage bill is usually in the \$110 range. The Council believes this is money well spent.

Yes, there are deadlines. The process cannot move forward without copy being submitted in a timely manner. It is absolutely necessary that your copy is in the office by the time the issue is being prepared.

Do you or your group have something of interest that could be place in "The Outreach?" Bring it to the office!

## Ministry
